No person serving on the Committee shall be entitled to compensation from the Association for services performed, however, the Committee may employ one or more architects, engineers, attorneys, or other consultants to assist the Committee in carrying out its duties hereunder, and the Association shall pay such consultants for services rendered to the Committee.

SECTION 2. APPOINTMENT OF MEMBERS; REMOVAL. The Declarant shall have the right to appoint all members of the Committee as well as the right to remove any member until it has sold and conveyed all of its Lots in the Properties and is no longer a Member of the Association. Prior to such date, in the event of the death, or removal or resignation of any person serving on the Committee, the Declarant, by recorded written instrument, shall designate a successor, or successors, who shall have all of the authority and power of his or their predecessor(s). Until such successor member or members shall have been so appointed, the remaining member or members shall have full authority to exercise the powers herein granted to the Committee. After the date on

which the Declarant has sold and conveyed all of its Lots within the Properties, the Association's Board of Directors may perform the functions of the Committee or from time to time, appoint and remove members of the Committee.

SECTION 3. POWERS OF THE COMMITTEE. No building, structure or other improvements shall be constructed on any Lot in the Subdivision, and no exterior alteration therein shall be made until the site plan and the final working plans and specifications have been submitted to and approved in writing by majority vote of the Committee as to conformity with the restrictions herein contained and harmony of external design and location in relation to existing structures and topography. The Committee shall have the right, exercisable at its sole discretion, to grant variances to certain restrictions in specific instances where the Committee in good faith deems that such variance does not adversely affect the architectural and environmental integrity of the Properties. The Committee may require the submission to it of such documents and items as it shall deem appropriate in connection with its consideration of a request for a variance. If the Committee shall approve such request for a variance, it shall evidence such approval, and grant its permission for such variance, only by written instrument

addressed to the Owner of the property relative to which such variance has been requested, describing the applicable restriction(s) and the particular variance requested, expressing the decision of the Committee to permit the variance, and describing (when applicable) the conditions on which the variance has been approved. Any request for a variance shall be deemed to have been disapproved in the event of either (a) written notice of disapproval from the Committee or (b) failure by the Committee to respond to the request for variance.

The Committee may, at its discretion, grant the approval required by this Article II for one site plan and one set of plans and specifications submitted by a Builder for improvements on multiple Lots, and such approval shall be effective for each Lot on which such improvements are constructed.

Each Owner by accepting a conveyance or any Lot or of any portion of a Lot in the Subdivision conclusively shall be deemed to have unconditionally and irrevocably waived all claims against the Committee arising or resulting from acts or omissions pursuant to the Declaration or the By-Laws of the Association.

ARTICLE III

GREENRIDGE HOMEOWNERS ASSOCIATION, INC.

SECTION 1. ORGANIZATION. Declarant has caused the Association

to be organized and formed as a non-profit corporation under the laws of the State of Texas. The principal purposes of the Association are the collection, expenditure, and management of the maintenance funds, enforcement of the restrictive covenants contained herein, and architectural control of the Lots within the Properties.

SECTION 2. BOARD OF DIRECTORS. The Association shall act through a Board of Directors (the "Board") having a minimum of three (3) and a maximum of five (5) members. The Board shall manage the affairs of the Association as specified in this Declaration and the By-Laws of the Association.

SECTION 3. MEMBERSHIP. Every Owner of a single family residential lot within the Properties shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association.

SECTION 4. VOTING RIGHTS. The Association shall initially have two (2) classes of membership as follows:

Class A. Class A Members shall be all persons or entities who own a Lot within the Properties with the exception of the Declarant. After the Conversion Date (as hereinafter defined), the Declarant shall become a Class A Member.

Class B. The Class B Member shall be the Declarant. The Class B membership shall cease and become converted to Class A membership on the Conversion Date.

Class A Members shall be entitled to one (1) vote for each Lot owned within the Properties and the Class B Member shall be entitled to eight (8) votes for each Lot owned within the Properties. When two or more persons or entities hold undivided interests in any Lot, all such persons or entities shall be Class A Members, and the vote for the Lot owned by such members shall be exercised as they, among themselves, determine, but in no event shall more than one vote be cast with respect to each Lot in which such Members own undivided interests.

SECTION 5. CONVERSION DATE. The Conversion Date shall occur on

the earlier of:

- (i) The date the total number of votes of the Class A Members equals or is greater than the number of votes of the Class B Member; or
- (ii) Such earlier date as may be established by Declarant in a written instrument recorded by Declarant in the Official Public Records of Real Property of Galveston County, Texas.

SECTION 6. TERMINATION OF MEMBERSHIP. The membership of a person or entity in the Association shall terminate automatically whenever such person or entity ceases to be an Owner, except that such termination shall not release or relieve any such person or entity from any liability or obligation incurred under or in any way connected with the Association or this Declaration during the period of ownership, nor impair any rights or remedies which the Association or any other Owner has with regard to such former Owner.

ARTICLE IV

COVENANT FOR MAINTENANCE ASSESSMENTS

SECTION I. CREATION OF THE LIEN AND PERSONAL OBLIGATION FOR ASSESSMENTS. The Declarant, for each Lot within the Subdivision, hereby covenants and each Owner of any Lot, by acceptance of a deed therefor, whether or not it shall be expressed in the deed or other evidence of the conveyance, is deemed to covenant and agree to pay the Association the following:

- (a) annual assessment or charges; and
- (b) special assessments for capital improvements,

such assessment or charges to be fixed, established and collected as hereinafter provided. These assessments and charges, together

with interest thereon as hereinafter provided, costs of collection, and reasonable attorney's fees, shall be a charge on the land and shall be secured by a continuing lien upon the property against which such assessments or charges are made. Each such assessment or charge, together with such interest, late charges, costs of collection, and reasonable attorney's fees shall also be and remain the personal obligation of the Owner of the particular Lot at the time the assessment or charge fell due notwithstanding any subsequent transfer of title of such property. The personal obligation for delinquent assessments and charges shall not pass to successors in title unless expressly assumed by them. However, successors in title shall nonetheless acquire title to the land subject to the lien securing the assessments and changes.

SECTION 2. PURPOSE OF ANNUAL ASSESSMENTS. The annual assessments levied by the Association shall be used for carrying out the purposes of the Association as stated in its Articles of Incorporation and this Declaration. The judgment of the Board of Directors of the Association in determining the function to be performed by the Association, in determining the amount of annual assessments, and in the expenditure of funds shall be final and conclusive so long as its judgment is exercised in good faith. Such funds may be used to finance all or any of the following:

- ii. Payment of taxes and premiums for insurance coverage in connection with the Common Area and for directors and officers liability insurance;

- iv. Paying the cost and fees of manager or firm retained to carry out the duties of the Association or to manage the affairs and property of the Association;
- v. Maintaining or replacing any landscaping in the Common Area;
- vi. Designing, purchasing and installing any improvements to the Common Area;
- vii. Mowing and routine maintenance of the Common Area
- viii. Removing debris from the Common Area.
- ix. Repairing all areas of erosion.
- x. Contracting for street lights in the Properties;
- xi. Collecting and disposing of trash, garbage, ashes, rubbish and other similar materials;
- xii. Payment of legal fees and expenses incurred to collect assessments and enforce this Declaration;
- xiii. Employing policemen or watchmen and/or a security service;
- xiv. Contracting for insect and pest control such as mosquito fogging;
- xv. Carrying out the duties of the Board of Directors of the Association; and

- xvi. Carrying out such purposes of the Association as generally benefit the Members of the Association.

As stated herein above, the Association shall not be obligated to perform all of the foregoing functions or any particular function. The judgment of the Board of Directors of the Association in establishing annual assessments and in the expenditure of said funds shall be final and conclusive so long as said judgment is exercised in good faith.

SECTION 3. MAXIMUM LEVEL OF ANNUAL ASSESSMENTS. The maximum annual assessment for 1998 (year) was \$240.00 per Lot. For 1999 and for each year thereafter, the maximum annual assessment may be increased by the Board of Directors of the Association at its sole discretion, by an amount equal to a ten percent (10%) increase over the maximum assessment for the previous year without a vote of the Members of the Association. The maximum annual assessment may be increased above ten percent (10%) by a two-thirds (2/3rds) vote of the total votes of the Members who are voting in person or by proxy, at a meeting duly called for this purpose. After consideration of current maintenance costs and future needs of the Association, the Board of Directors may fix the annual assessment at any amount not in excess of the maximum for the applicable year.

SECTION 4. SPECIAL ASSESSMENT FOR CAPITAL IMPROVEMENTS. In addition to the annual assessment authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, or repair or replacement of a capital improvement located upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of a two-thirds (2/3rds) vote of the total votes of the Members who are voting in person or by proxy at a meeting duly called for this purpose. Special assessments may be collected on a monthly basis at the Board's election.

SECTION 5. NOTICE AND QUORUM. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 above shall be sent to all Members not less than 30 days nor more than 60 days in advance of the meeting. At the first

such meeting called, the presence of members or of proxies entitled to cast ten percent (10%) of each class of the votes of the Association's membership shall constitute a quorum. If the required quorum is not present or represented, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meetings. No subsequent meeting shall be held more than 60 days following the preceding meeting.

SECTION 6. RATES OF ASSESSMENT. Both annual and special assessments on all Lots shall be fixed at uniform rates provided, however, there shall be no assessment against the Lots owned by the Declarant for each year that the Declarant makes a contribution to the Association equal to any financial deficit incurred by the Association for such year.

SECTION 7. DATE OF COMMENCEMENT AND DETERMINATION OF ANNUAL ASSESSMENT. The annual assessment provided for herein shall commence as to all Lots in the Subdivision on the date the first Lot in the Subdivision is conveyed by Declarant. If such initial conveyance occurs on a date other than January 1, the assessment for the initial year shall be adjusted according to the number of months remaining in the calendar year and shall be due and payable thirty (30) days after notice of the assessment is sent to every Owner whose Lot is subject to assessment. On or before the 30th day of November in each year thereafter, the Board of Directors of the Association shall fix the amount of the annual assessment to be levied against each lot in the next calendar year. Written notice of the figure at which the Board of Directors of the Association has set the annual assessment shall be sent to every Owner whose Lot is subject to the payment thereof. Each annual assessment shall be due and payable in advance on the first day of January of each calendar year. The Association shall, upon demand, and for reasonable charge, furnish a certificate signed by an officer or authorized representative of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a particular Lot is binding upon the Association as of the date of its issuance.

SECTION 8. EFFECT OF NONPAYMENT OF ASSESSMENTS; REMEDIES OF THE ASSOCIATION. Any assessment or charges which are not paid when

due shall be delinquent. If an assessment or charge is not paid within thirty (30) days after the due date, it shall bear interest at the rate of ten percent (10%) per annum from the due date and at its option, the Board may impose a late charge of 15% of the amount of any assessment which is not paid within one hundred and eighty (180) days after the due date. The Association may bring an action at law against the Owner personally obligated to pay the assessment, or to foreclose the lien herein retained against the property. Interest as above specified, late charges, if applicable, costs and reasonable attorney's fees incurred in any such action shall be added to the amount of such assessment or charge. Each such Owner, by his acceptance of a deed hereby expressly vests in the Association or its agents, the right and power to bring all actions against such Owner personally for the collection of such assessments and charges as a debt and to enforce the lien by all methods available for the enforcement of such liens, including foreclosure by an action brought in the name of the Association in a like manner as a mortgage or deed of trust lien foreclosure on real property, and such Owner expressly grants to the Association a power of sale and non-judicial foreclosure in connection with the lien. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

SECTION 9. SUBORDINATION OF THE LIEN TO MORTGAGES. As herein above provided, the title to each Lot shall be subject to a lien securing the payment of all assessments and charges due the Association, but the lien shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the lien in favor of the Association provided, however, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien securing such assessment or charge as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot or the Owner thereof from liability for any charges or assessments thereafter becoming due or from the lien thereof. In addition to the automatic subordination provided for hereinabove, the Association, in the sole discretion of its Board of Directors, may subordinate the lien securing any assessment provided for herein to any other mortgage lien or encumbrance, subject to such limitations, if any, as the Board of Directors may determine.

SECTION 10. EXEMPT PROPERTY. All properties dedicated to, and

accepted by, a local public authority and all properties owned by a charitable or non-profit organization exempt from taxation by the laws of the State of Texas shall be exempt from the assessments and charges created herein. Notwithstanding the foregoing, no Lot which is used as a residence shall be exempt from said assessments and charges.

ARTICLE V
PROPERTY RIGHTS IN THE COMMON AREA

SECTION 1. OWNER'S EASEMENT FOR ACCESS AND ENJOYMENT. Subject to the provisions herein stated, every Member shall have an easement of access and a right and easement of enjoyment in the Common Area, and such right and easement shall be appurtenant to and shall pass with the title to every Lot, subject to the following rights of the Association:

- (a) The Association shall have the right to charge reasonable admission and other fees for the use of any facility situated upon the Common Area.

During initial construction of residences by Builders in the Subdivision, building materials may be placed or stored outside the property lines. Building materials may remain on Lots for a reasonable time, so long as the construction progresses without undue delay after which time these materials shall either be removed from the Lot or stored in a suitable enclosure on the Lot. The Declarant or Association may render a statement of charge to the Owner or occupant of such Lot for the cost of such work. The Owner or occupant agrees by the purchase or occupation of the Lot to pay such statement immediately upon receipt. In the event of the failure to pay for such work, the amount of such statement may be added to the annual maintenance charge provided for herein and shall be secured by a lien on the Lot in the same manner as such annual charge. The Declarant, the Association, or their agents and employees shall not be liable, and are hereby expressly relieved from any liability, for trespass or other tort in connection with the performance of the maintenance and other work authorized herein.

ARTICLE VIII EASEMENTS

SECTION 1. GENERAL. Easements for the installation and

maintenance of utilities are reserved as shown and provided for on the plat of the Subdivision or as dedicated by separate instruments. Neither Declarant nor any utility company or authorized political subdivision using the easements referred to herein shall be liable for any damages done by them or their assigns, agents, employees or servants, to fences, shrubbery, trees, flowers, improvements or other property of the Owner situated on the land covered by such easements as a result of construction, maintenance or repair work conducted by such parties or their assigns, agents, employees or servants.

SECTION 2. MAINTENANCE EASEMENT. There is reserved, for Declarant, the Association, and their respective successors and assigns, a three-foot wide construction and maintenance easement adjacent and parallel to each of the rear and side lot lines of all Lots that abut a landscape reserve, greenbelt, or Street where Declarant has constructed or intends to construct a fence within the landscape reserve or public rights-of-way, together with the right of ingress and egress for the purposes, without liability to the Owner for damages arising from the use of the easement, of constructing, repairing, and/or reconstructing the fence. The easement area shall remain unobstructed of any structures or plantings that would prohibit access to the fence for construction and maintenance purposes.

SECTION 3. UNIVERSAL EASEMENT. Each Lot and its Owner is hereby declared to have an easement, and the same is hereby granted to Declarant, over all adjoining Lot and Common Area for the purpose of accommodating any encroachment due to engineering errors, errors in original construction, settlement or shifting of the building, or any other cause. There shall be easements for the maintenance of said encroachment, settling or shifting; provided, however, that in no event shall an easement for encroachment be created in favor of an Owner or Owners if said encroachment occurred due to the willful misconduct of said Owner or Owners. The easements hereinabove referred to shall be deemed to be established upon the recordation of this Declaration and shall be appurtenant to the Lot being serviced and shall pass with each conveyance of said Lot.

SECTION 4. UNDERGROUND ELECTRICAL DISTRIBUTION SYSTEM. An underground electric distribution system has been installed within

the Subdivision which will be designated an Underground Residential Subdivision and which underground service area shall serve all Lots in the Subdivision. The Owner of each Lot in the Underground Residential Subdivision shall, at his own cost, furnish, install, own, and maintain (all in accordance with the requirements of local governing authorities and the National Electric Code) the underground service cable and appurtenances from the point of the electric company's metering on customer's structure to the point of attachment at such company's installed transformers or energized secondary junction boxes, such point of attachment to be made available by the electric company at a point designated by such company at the property line of each Lot. The electric company furnishing service shall make the necessary connections at said point of attachment and at the meter. In addition, the Owner of each Lot shall, at his own cost, furnish, install, own and maintain a meter loop (in accordance with the current standards and specifications of the electric company furnishing service) for the location and installation of the meter of such electric company for the residence constructed on such Owner's Lot. For so long as underground service is maintained in the Underground Residential Subdivision, the electric service to each Lot therein shall be underground, uniform in character and exclusively of the type known as single phase, 120/240 volt, three wire, 60 cycle, alternating current.

Easements for the underground service may be crossed by driveways and walkways provided that the Builder or Owner makes prior arrangements within the utility company furnishing electric service and provides and installs the necessary electric conduit of approved type and size under such driveways or walkways prior to construction thereof. Such easement for the underground service shall be kept clear of all other improvements, including building, patios, or other pavings, and neither Builder nor any utility company using the easements shall be liable for any damage done by either of them or their assigns, their agents, employees, or servants, to shrubbery, trees, or improvements (other than crossing driveways or walkways provided the conduit has been installed as outlined above) of the Owner and located on the land covered by said easements. The overhead power system at the front of the subdivision is to remain.

SECTION 5. CABLE TELEVISION. Declarant reserves the right to hereafter enter into a franchise or similar type agreement with one or more cable television companies and Declarant shall have the right and power in such agreement or agreements to grant to such cable television company or companies the uninterrupted right to

install and maintain communications, cable and related ancillary equipment and appurtenances within the utility easements and right-of-ways dedicated by the plat of the Subdivision containing the Lots or by separate instruments pertaining to such Subdivision. The timing of the installation of any such facilities will be determined by the cable television company and Declarant will have no control thereover.

ARTICLE IX

ENFORCEMENT

The Association or any Owner shall have the right to enforce, by any proceeding at law or in equity, the covenants, conditions, restrictions, and liens contained herein. Failure of the Association or any Owner to enforce any of the provisions herein contained shall in no event be deemed a waiver of the right to do so thereafter.

ARTICLE X

GENERAL PROVISIONS

SECTION 1. TERM. These covenants shall run with the land and shall be binding upon all parties and all persons claiming under them until January 1, 2035, after which time said covenants shall be automatically extended for successive periods of ten (10) years each, unless and instrument signed by the Owners of a majority of the Lots covered by this Declaration has been recorded, agreeing to change or terminate the covenants herein, in whole or in part..

SECTION 2. AMENDMENT.

A. By Declarant. This Declaration may be amended unilaterally at any time and from time to time by Declarant (a) if such amendment is necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, or regulation or judicial determination which shall be in conflict therewith; (b) if such amendment is required by an institutional or governmental lender or purchaser of mortgage loans, including, for

example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase mortgage loans on the property subject to this Declaration; (c) if such amendment is necessary to enable any governmental agency or reputable private insurance company to insure mortgage loans on the property subject to this Declaration; or (d) for any other purpose, provided that the amendment has no material adverse effect upon the title to any Owner's property or upon any right of such Owner or the Owner so affected has consented thereto.

B. By Owners. This Declaration may be amended at any time by an instrument executed by the owners of a majority of the Lots covered by this Declaration; provided, however Declarant must consent thereto if such amendment is to be effective prior to the date on which Declarant has sold all of its Lots within the Properties. Any such amendment shall become effective when an instrument is filed for record in the Official Public Records of Real Property of Galveston County, Texas, with the signatures of the requisite number of the Owners of the Lots within the Properties (and the signature of Declarant, if applicable).

SECTION 3. SEVERABILITY. Invalidation of any one of these covenants by judgment or other court order shall in no way affect any other provisions, which shall remain in full force and effect except as to any terms and provisions which are invalidated.

SECTION 4. GENDER AND GRAMMAR. The singular wherever used herein shall be construed to mean or include the plural when applicable and the necessary grammatical changes required to make the provisions hereof apply either to corporations (or other entities) or individuals, male or female, shall in all cases be assumed as though in each case fully expressed.

SECTION 5. TITLES. The titles of this Declaration of Articles and Sections contained herein are included for convenience only and shall not be used to construe, interpret, or limit the meaning of any term or provision contained in this Declaration.

SECTION 6. REPLATTING. Declarant shall have the right to replat any Lot as well as the right to subdivide any reserve tracts contained within the Properties into single family residential

lots, by recorded plat or in any lawful manner. Lots created by the subdivision of a reserve tract shall be subject to these restrictions as if such Lots were originally platted as lots. The Replatting of any portion of the Properties by any Owner other than the Declarant prior to the Conversion Date shall require the written consent of the Declarant.

SECTION 7. ANNEXATION.

A. By Declarant. The Declarant shall have the unilateral right, privilege, and option at any time to annex additional property to the jurisdiction of the Association by filing for record a declaration of annexation in respect to the property being annexed. Any such annexation by the Declarant shall not require approval by the Association or the Members and shall be effective upon the filing for record of such declaration. The rights reserved by Declarant herein to annex additional land shall not and shall not be implied or construed so as to impose any obligation upon Declarant to annex additional land it owns.

B. By Other Owners. Upon request by an owner of land other than the Declarant, the Association may annex real property to its jurisdiction. Any such annexation shall require the affirmative vote of Members representing a majority of the Association's votes present at a meeting duly called for such purpose and, as long as the Declarant owns any portion of the Properties, the written consent of the Declarant. Annexation of land not owned by the Declarant shall be accomplished by filing of record in the public records of Galveston County, Texas, an annexation agreement describing the property being annexed. Such annexation agreement shall be signed by the President and the Secretary of the Association, by the owner of the property being annexed, and, as long as the Declarant owns any portion of the Properties, by the Declarant. The relevant provisions of the By-Laws dealing with regular or special meetings, as the case may be, shall apply to determine the time required for and the proper form of notice of any meeting called for the purpose of considering annexation of property pursuant to this Section 7(b) and to ascertain the presence of a quorum at such meeting.

C. Effect of Annexation. The Owners of Lots in property annexed into the jurisdiction of the Association shall be entitled to the use and benefit of all Common Area of the Association, provided that the annexed property shall be impressed with and subject to an annual maintenance assessment imposed by the Association on a uniform, per Lot basis with the annual assessment on all other property within the jurisdiction of the Association.

SECTION 8. MERGER; DISSOLUTION. The Association may be merged with another non-profit corporation or dissolved only with (I) the assent given in writing by not less than two-thirds (2/3's) of the Class A Members and (ii) the Declarant, as long as the Declarant owns any single family residential lots within the Properties. In the event of a merger of the Association with another non-profit corporation organized for the same purposes, the Association's properties, rights, and obligations may be transferred to the surviving association, or alternatively, the properties, rights and obligations of the other association may be added to the properties, rights and obligations of the Association as a surviving corporation pursuant to a merger. The surviving association shall administer the covenants, conditions and restrictions established by this Declaration, together with the covenants, conditions and restrictions applicable to the properties of the other association as one scheme. In the event of the dissolution of the Association, the assets of the Association shall be dedicated to an appropriate public agency to be used for purposes similar to those for which the Association was created. In the event that such dedication is refused acceptance, such assets shall be granted, conveyed and assigned to any nonprofit corporation, association, trust or other organization to be devoted to such similar purposes.

SECTION 9. DECLARANT'S RIGHTS. Until the date it has sold and conveyed all of its single family residential lots within the Properties, the Declarant shall have the right to appoint all members of the Committee as well as the right to remove any member thereof and the right to amend this Declaration as specified hereinabove. In addition, the following actions shall require the approval of the Declarant prior to such date:

- (i) the annexation of property not owned by the Declarant to the scheme of this Declaration and the jurisdiction of the Association; and
- (ii) the dissolution of the Association or the merger of the Association with another non-profit corporation; and
